

2006 GENERAL GRANTS

American Civil Liberties Union Foundation

\$30,000 New York, NY

For continued support for the International Human Rights Program, to expand the use of the international human rights framework to protect civil rights in the U.S., particularly in the area of national security and immigrants' rights; women's rights; and criminal justice.

American Jewish World Service

\$25,000 New York, NY

For continued support for the Women's Empowerment Fund which supports grassroots projects that provide women with the means to become economically independent and encourage them to become advocates, spokespersons and ultimately policy-makers on behalf of their communities.

Applied Research Center

\$20,000 Chicago, IL

For continued support for the Racial Justice Leadership Initiative, a program to strengthen the capacity of community-based organizations and leaders to engage in education and action to advance racial equity.

Center for Women Policy Studies

\$40,000 Washington, DC

For continued support to bring the women's human rights framework home to state legislators in the United States, expand their experiences on the global stage and build foreign policy leadership for women's human rights. A portion of this grant will support evaluation.

Ceres, Inc.

\$20,000 Boston, MA

For general operating support to build widespread consensus in the business and investment communities that climate change is a serious threat to economic prosperity, that federal action is necessary to address the problem and to pressure companies to improve disclosure, reduce emissions, and support policy progress.

Chicago Foundation for Women

\$50,000 Chicago, IL

For continued general operating support of the organization's advocacy, grantmaking and educational and technical programming to grantees and donors to achieve social justice for all women and girls in the Chicago area.

International Rivers Network

\$20,000 Berkeley, CA

For general operating support to raise awareness of the need to shift infrastructure investments from large-scale hydropower projects to small-scale, sustainable, community based solutions; monitor and critique the policies of supporters of large dams; promote democratic decision-making; and build the international movement of dam-affected people and their allies.

Ipas

\$20,000 Chapel Hill, NC

For continued support for the Policy Unit, a policy program with the broad goal of linking supporters of safe legal abortion to a world community that values women's reproductive rights and choice and building support for abortion policy reform around the world.

International Planned Parenthood Western Hemisphere Region

\$50,000 New York, NY

For continued general operating support to provide quality, comprehensive sexual and reproductive health information and services to the women, men and young people of Latin America and the Caribbean, to advocate for potentially life-saving services and to enable their 46 member associations throughout the region to advocate for sexual and reproductive health and rights.

Jewish Council on Urban Affairs

\$30,000 Chicago, IL

To support the incorporation of a human rights framework into the organization's work through self assessment and capacity building activities.

Movement Strategy Center/Youth Media Council

\$15,000 San Francisco, CA

For continued general operating support for media capacity building and technical assistance for grassroots social justice groups, media justice organizing and leadership development and strategic communication for social justice.

National Abortion Rights Action League Foundation

\$25,000 Washington, DC

For general operating support to strengthen the advancement of the pro-choice federal and state policies, challenge threats to choice as they occur, and continue to mobilize an active grassroots base.

Democracy Now!

\$30,000 New York, NY

For continued general operating support to produce and distribute Democracy Now!, a non-commercial, daily news and information program broadcast nationally in collaboration between public and community radio, public access cable TV, satellite TV, and the internet.

Drug Policy Alliance

\$20,000 New York, NY

To support ongoing advocacy to preserve and increase the scope of groundbreaking legislation in California, Proposition 36, which promotes treatment instead of incarceration for drug offenders.

EarthRights International

\$40,000 Washington, DC

For continued general operating support of their three strategic program areas: Legal, Campaigns and EarthRights schools. ERI combines the power of law and the power of people in defense of human rights and the environment.

Environmental Health Coalition

\$25,000 National City, CA

For continued general operating support to build leadership and support successful policy and community organizing to eliminate inappropriate land uses; reduce toxic pollution; reduce reliance on energy sources that contribute to global warming and promote renewable energy sources; and win fair trade agreements.

Environmental Law and Policy Center

\$50,000 Chicago, IL

To support their multifaceted Global Warming Solutions Initiative in Illinois and the pivotal Midwest region which includes inter-related strategic elements focused on reducing pollution from the energy and transportation sectors in ways that work for both environmental progress and economic development.

The Fund For Global Human Rights

\$25,000 Washington, DC

For continued general operating support to enhance its ability to raise funds and distribute them to human rights organizations in places with great need and minimal access to funding, to deepen existing programs, add new regions to its grantmaking, and attract new donors to human rights.

Gender Action

\$30,000 Washington, DC

For continued general operating support to promote women's rights and gender equality in the investments, policies and strategies of the International Financial Institutions.

The Global Fund For Children

\$30,000 Washington, DC

To support international re-granting in its Safety Portfolio, working with community-based groups that are providing children with the skills and knowledge they need to change their lives for the better.

The Opportunity Agenda

\$25,000 New York, NY

To support the development of a communications and legal strategy to build the constituency for human rights in the U.S. and advance human rights law as part of U.S. law and policy.

Population Council, Inc.

\$40,000 New York, NY

For continued support for Protecting Girls' Rights Across the Marital Boundary," a multi-faceted initiative that aims to end the practice of child marriage. They will use their extensive and rigorous research and program experience to influence discussion with key stakeholders in the U.S. and at the international and country levels, delivering evidence, analyses, and recommendations to policymakers and program managers.

Population Media Center

\$25,000 Shelburne, VT

For continued general operating support to improve the health and well being of people around the world through the use of entertainment-education strategies, educating people about the benefits of small families, encouraging the use of effective family planning methods, promoting gender equity and bringing stabilization of human population numbers at a level that can be sustained by the world's natural resources.

Rex Foundation

\$15,000 San Francisco, CA

For general operating support to engage in activities that honor the spirit of community, service and support grassroots programs that might otherwise be overlooked by mainstream funders, yet work in innovative and bold ways to bring about helpful solutions to challenging situations.

Rocky Mountain Institute

\$30,000 Snowmass, CO

To support the implementation of Winning the Oil Endgame, which will focus on catalyzing efficiencies in the heavy trucking, military and light vehicles sectors and on promoting investment in and the development of biofuels to save half the nation's oil and replace the other half with biofuels and natural gas.

The Roger Baldwin Foundation of ACLU, Inc.

\$42,500 Chicago, IL

For continued support of the Reproductive Rights Project which engages in litigation and public education to safeguard reproductive freedom in Illinois and to ensure that all women have access to appropriate and freely chosen reproductive health services. A portion of this is a challenge grant to support a new campaign organizer position for the Project.

Sargent Shriver National Center on Poverty Law

\$30,000 Chicago, IL

For continued support of the Women's Law and Policy Project which creates and promotes legal and policy solutions to improve the lives of low-income women and girls.

Global Fund For Women

\$50,000 Washington, DC

For continued general operating support to sustain women's organizations around the world working to advance women's rights.

Global Greengrants Fund

\$40,000 Boulder, CO

For continued general operating support to empower local environmental leaders to make small grants to grassroots groups in developing countries.

Heartland Alliance For Human Needs and Human Rights

\$55,000 Chicago, IL

For its campaign on Extreme Poverty Eradication and Human Rights to support the uses of the human rights framework and methodology to educate and facilitate the participation of poverty populations and state legislators in defining a poverty reduction strategy anchored in human rights standards. A portion of this grant is also for general operating support.

Let's Breakthrough, Inc.

\$20,000 New York, NY

For general operating support to facilitate the education and mobilization of young people around the human rights consequences of current U.S. immigration policy.

MADRE, Inc.

\$15,000 New York, NY

For general operating support to enable the organization to develop innovative women led projects with their partners that improve women's quality of life, access to services and self-esteem.

Medical Students for Choice

\$15,000 Oakland, CA

For general operating support to enhance the organization's programmatic strategies to ensure that women receive the full range of reproductive healthcare choices, including abortion, a standard part of medical education and residency training.

Indian Law Resource Center

\$50,000 Helena, MT

To support human rights advocacy and the development of human rights for indigenous peoples. A portion of the grant will also support capacity building for fundraising.

International Development Exchange

\$20,000 San Francisco, CA

For continued support for the Asia Program, which works with partner organizations in Southern Asia to advance women's empowerment through training for income-generating activities, leadership development, and access to micro-credit.

SIECUS

\$35,000 New York, NY

For continued general operating support to shape and advance the discussion around sexuality, promote supportive public policies, provide essential resources and expertise, lead educational efforts, and increase the recognition of universal sexual rights to ensure that every person has access to comprehensive information and services about sexuality and reproductive health issues.

The White House Project

\$25,000 New York, NY

For continued support for the Real Security Initiative which equips women leaders with strong messages on security and supplies them with the tools they need to speak authoritatively on broader policy alternatives to assure that these voices appear. A portion of this grant will support communications efforts.

Union of Concerned Scientists, Inc.

\$25,000 Cambridge, MA

To build support for a sound policy framework in California for an economy-wide cap and trade program for global warming emissions. They will work to advance a full suite of climate policies to achieve the reduction of global warming emissions.

U.S. Human Rights Fund

\$50,000 New York, NY

The first of a three-year grant for general operating support to this funding collaborative which provides strategic, field building support to U.S. human rights work.

Wild for Human Rights

\$35,000 San Francisco, CA

For continued general operating support to train advocates around the nation to implement human rights standards and to provide resources on how to assess public policy by using human rights standards.

Witness

\$30,000 New York, NY

For continued general operating support to advance human rights advocacy by empowering human rights defenders to use video as a tool to shine a light on those most affected by human rights violations, and to transform personal stories of abuse into powerful tools of justices.

Women's Learning Partnership

\$25,000 Bethesda, MD

For continued general operating support to strengthen and build women's leadership, primarily in Muslim-majority societies. A portion of this grant also supports organizational capacity building.

Women' Link Worldwide

\$40,000 Northfield, VT

For continued support of their strategic planning and organizational consolidation capacity building efforts.

2006 BOARD DIRECTED GRANTS

Center for Constitutional Rights

\$5,000 New York, NY

To support the Guantanamo Global Justice Initiative, to challenge the practice of unjust and inhumane detentions in Guantanamo Bay, Cuba and to challenge the practice of extraordinary rendition and torture elsewhere around the world.

\$15,000 New York, NY

To support the War Crimes Complaints project and the request for the German Federal Prosecutor to open an investigation and ultimately a criminal prosecution that will look into the responsibility of high-ranking U.S. officials, including Donald Rumsfeld, for authorizing war crimes in the context of the so-called "War on Terror".

Human Rights First

\$5,000 Brooklyn, NY

To support their Hope for Darfur Campaign to further enhance their advocacy efforts to urge the international community to assert greater political will to create a cease fire and ultimately a lasting peace in Darfur.

Foundation for National Progress/Mother Jones

\$15,000 San Francisco, CA

To support Mother Jones' editorial content.

The Millennium Promise Alliance, Inc.

\$70,000 New York, NY

The first of a three-year grant to support a Millennium Village in Kenya.
