

FALL 2010 GENERAL GRANTS

1Sky Education Fund

\$50,000 Takoma Park, MD

For continued support of the Climate Precinct Captains project which mobilizes activists in every voter precinct in the country to work towards a clean and healthy future.

As You Sow

\$25,000 San Francisco, CA

For capacity building support to implement a new strategic plan, with an emphasis on employing new approaches to fundraising and communications that will move As You Sow into a stronger position to build corporate social and environmental responsibility in the U.S. and around the world.

Ceres, Inc.

\$25,000 Boston, MA

For continued support of the organization's work to monitor implementation of SEC guidelines on climate risk and advance disclosure by leveraging the power of investors to advocate for stronger corporate responsibility on environmental, social and governance issues.

Children and Family Justice Center

\$50,000 Chicago, IL

For continued support of the Illinois Coalition for Fair Sentencing of Children which seeks to end the practice of sentencing juveniles to life in prison without the possibility of parole.

EarthRights International

\$50,000 Washington, DC

For support of the organization's Legal Program which engages in high-impact litigation against multi-national corporations to hold them accountable for human rights and environmental harms while also working to strengthen domestic and international corporate accountability laws.

Environmental Health Coalition

\$25,000 National City, CA

For continued support of the Green Energy and Good Jobs Campaign which works to reduce carbon emissions, promote sustainable energy and foster a green economy in primarily

low-income, minority communities.

Environmental Law & Policy Center

\$50,000 Chicago, IL

For support of the Global Warming Solutions Project through which the organization works to reduce Illinois' and the Midwest's greenhouse gas pollution through approaches that simultaneously advance environmental progress and economic development.

Genocide Intervention Network

\$20,000 Washington, DC

To support the Genocide Prevention Campaign, a grassroots mobilization campaign to implement the recommendations made by the national Genocide Prevention Task Force, which will help the U.S. achieve a new level of leadership to prevent and stop genocide and mass atrocities.

Global Greengrants Fund

\$50,000 Boulder, CO

For continued general operating support to empower local environmental leaders to make small grants to grassroots groups in developing countries through the organization's general fund and for the Climate Fund which will address both adaptation and mitigation activities within Greengrants' existing movement-building framework.

Green For All

\$50,000 Oakland, CA

For continued general operating support to advance the organization's goals of revitalizing the economy, promoting green solutions and lifting people out of poverty.

Indian Law Resource Center

\$50,000 Helena, MT

For continued general operating support of the Center's work using domestic and international legal and human rights mechanisms to protect the rights of Indian and Alaska Native tribes in the U.S. and throughout the Americas.

Pacific Forest Trust

\$20,000 San Francisco, CA

For continued support of the Working Forests, Winning

Climate project which uses regulatory frameworks and market-based incentives to promote forests as a viable part of reducing carbon and sustaining livelihoods.

International Indian Treaty Council

\$20,000 Palmer, AK

For general operating support of human rights advocat training on behalf of Indigenous communities, with a special emphasis on the connection between Indigenous communities and the Human Rights at Home campaign.

International Rivers

\$20,000 Berkeley, CA

For support of the Rivers, Dams & Climate Change Program through which the organization works to limit the number of carbon offsets allowed under existing and emerging domestic and international climate legislation and to ensure that these offset programs are subject to strict criteria in order to prevent environmentally and socially harmful projects from receiving credits.

Jewish Council on Urban Affairs

\$40,000 Chicago, IL

For continued support of the Human Rights Initiative to fully integrate human rights into the organization and begin a targeted campaign to implement the Convention on the Elimination of All Forms of Racial Discrimination (CERD) at the local government level in Chicago.

National Economic and Social Rights Initiative

\$45,000 New York, NY

For continued general operating support of the organization's work to develop strategies, models and structures for grassroots activists and organizations working to affect positive social change using international human rights standards.

The Opportunity Agenda

\$75,000 New York, NY

For general support to advance human rights by: 1) contributing to the communications and policy work of the Human Rights at Home campaign; 2) delivering tools, training, and support to advocates who seek to protect the due process rights of immigrants; 3) coordinating with reproductive justice leaders on public opinion research and core narrative development; and 4) providing communications counsel to the U.S. human rights field through tools, training, and guidance.

Rocky Mountain Institute

\$30,000 Snowmass, CO

To support the Reinventing Fire initiative, which seeks to create a clear and practical vision of a fossil-fuel-free future for the United States and to map a pathway to achieve that future led largely by business.

Sargent Shriver National Center on Poverty Law

\$30,000 Chicago, IL

For continued support of the Women's Law and Policy Project which creates and advocates for public policies that advance economic justice and personal security for women and girls, particularly those living in poverty in Illinois.

WITNESS

\$50,000 Brooklyn, NY

For the North American Video Advocacy for Human Rights Program which assists domestic organizations in using a human rights framework to raise awareness and affect change on issues as varied as elder abuse, immigration and genocide.

World Resources Institute

\$20,000 Washington, DC

For support of The Access Initiative—a global network that promotes access to information, participation, and justice in environmental decision-making—in its effort to deploy a toolkit for Adaptation-Rapid Institutional Analysis (ARIA) that will enable the civil society-led assessment of national governments' institutional capacity for climate adaptation planning and implementation.

FALL 2010 BOARD DIRECTED GRANTS

ACLU Foundation

\$333,000 New York, NY

The final installment of a three-year grant to support the Leading Freedom Forward Campaign—an effort to build a powerful and proactive nationwide ACLU presence and expand core and cutting-edge programs.

American Musical Heritage Foundation

\$1,000 Scotts Valley, CA

For general operating support to collect and archive phonograph records and related historical documents from all periods and genres for the preservation and dissemination of diverse cultural and musical histories.

Center for Neighborhood Technology

\$5,000 Chicago, IL

For general operating support of its work to build environmentally and economically sustainable urban communities and bring the results of its work into the national conversation on climate change and sustainable development.

Media Matters for America

\$10,000 Washington, DC

For general operating support to monitor, analyze, and correct conservative misinformation in the U.S. media.

Medical Students for Choice

\$5,000 Philadelphia, PA

For continued general operating support to identify and fill gaps in reproductive health education by advocating for curriculum reform, hosting student leadership trainings, operating an externship program and educating medical policymakers on reproductive health issues.

Millennium Promise

\$70,000 New York, NY

The final installment of a five-year grant to support the Nyandiwa Village in the Sauri Millennium Village cluster in Kenya.

Mother Jones / Foundation for National Progress

\$100,000 San Francisco, CA

The final installment a three-year grant to support the Mother Jones 2.0 Project—a campaign to build an effective and sustainable home for independent, progressive journalism.

Positive Health Practice at UCSF

\$5,000 San Francisco, CA

For increasing access to high quality medical care for minority populations living with HIV/AIDS.

PRBO Conservation Science

\$2,500 Petaluma, CA

For support of work to guide climate change planning for San Francisco Bay wetlands.

San Francisco Suicide Prevention

\$2,500 San Francisco, CA

For support of Clinical Consultant services to help people in crisis.

San Miguel – CASA, Inc.

\$10,000 New York, NY

For general operating support to engage in public policy reform and advocacy efforts centered around adolescent and women's sexual and reproductive health rights.

Slide Ranch

\$2,500 Muir Beach, CA

For support of the Growing Wonder Project which brings young people to Slide Ranch to participate in a comprehensive environmental education and agriculture curriculum.

Urban Gateways

\$10,000 Chicago, IL

To support the work of a Marketing & Communications Intern to assist with Urban Gateway's 50th Anniversary public awareness campaign.

Women's Funding Network

\$15,000 San Francisco, CA

For general operating support to provide ongoing access, training, tools and support to help women's funds increase their investment, influence and impact.
